

International Credit Union Story & Photo Contest Winners October 2017

Winner: Stephen

15 years ago, I was in the process of buying a home. I was lined up for a VA loan with a bank out of Denver, CO. Three days before closing they backed out. I was driving a truck at the time and had already arranged the days off for the closing and could not change them. I was in a pickle and thought I'd call WYHY and visit with them. Guess what - even though they normally do not get involved with home loans, they decided they would help me out. I got my home loan, at a slightly higher interest rate and after refinancing once a few years later at a lower rate, in August of 2015 I paid my home off. If it wasn't for WYHY and the great folks that work there that wouldn't have happened. I've been a member of WYHY since 1977 and will always do my financial business with them. Thank you WYHY and all the good folks there and for the newer ones

Winner: Jeremy, Amanda, and Elizabeth

As a couple, Amanda and I always had a special place in our hearts for adoption. When the season came to grow our family, we embarked on the adventure of a lifetime as we began our own adoption journey.

The cost of adoption is tremendous. After saving and raising funds, we contacted our go-to financial team at WyHy Federal Credit Union to pursue financing for the remainder of our adoption funds. As always, we were grateful for the professional, timely, and gracious assistance the WyHy team provided.

Last year, through the miracle of adoption, we were blessed to welcome our daughter, Elizabeth Grace, into the world. We were fortunate to have the opportunity to be present during her birth, and two days later we took her home - on my birthday no less! God is good! Elizabeth is a little ray of sunshine. Our hearts overflow with love, joy, and gratitude.
