ADD YOUR WyHy CARD

To set up and use Apple Pay with your Apple Watch, visit the Apple site.

On your iPhone or iPad, follow these steps to add your WyHy card:

1. On your iPhone, open Wallet. On your iPad, go to Settings > Wallet & Apple Pay.
2. Tap Add Credit or Debit Card.
3. Use the camera to capture the information on your WyHy Credit or Debit Card. Then fill in any additional information needed.
4. Tap Next. WyHy will begin to verify your card. If necessary, WyHy may ask you to verify your identity by using one of the following methods:
    1. **Text Message:** You will receive an automated text message containing a one-time passcode. You must then enter in this one-time passcode within your digital wallet enrollment screen to confirm your identity.
    2. **Email:** You will receive an automated email containing a one-time passcode. You must then enter in this one-time passcode within your digital wallet enrollment screen to confirm your identity.
    3. **Call WyHy:** If you are presented with this option, you will be prompted to contact WyHy at 307-638-4200 or 800-442-2392. Please note, upon contacting WyHy you will be asked various security questions to confirm your identity. Once confirmed, we will proceed with activating your Apple Pay enrollment.
5. After your card is verified, you can start using your WyHy card with Apple Pay. To make your WyHy card your default payment card, go to Settings > Wallet & Apple Pay > Default Card.

SIMPLE TO USE

Pay in stores with iPhone or Apple Watch. You don't have to open the Wallet app to make a purchase.

- With your finger on Touch ID, hold your iPhone near the contactless reader. A subtle vibration and sound will confirm that your payment information was sent.
- To use an Apple Watch, double-click the side button and put the face of your Apple Watch near the contactless reader. A gentle pulse and tone lets you know your transaction took place.

Pay within apps.

- Use iPhone, iPad Pro, iPad Air, or iPad mini.
- Choose the Apple Pay option and place your finger on Touch ID.
