# How Do I Reset My Password?

WYHY DIGITAL: ONLINE & MOBILE BANKING

1 Open the app on your desktop or mobile device. Click on the link for **Forgot Password?**, located under the password field.

2 On the next screen, check the box to agree to password safety guidelines. Click **Continue.**

3 Confirm your identity by entering the account holder's username, social security number, and zip code.

4 Select how you would like to receive a temporary password. This could take a few minutes to receive.

5 Enter your username, and the temporary password you received.

6 Create a new password.
